Hi Mark,

As president you need to call a special meeting to vote on the increase in dues. I suggest you set a meeting date and time of December 12, 2003 at 5:00 pm. The location will be your unit #4. Post a copy of this notice on Phyllis and Bob's door. All board members can vote in advance of the meeting by telephone, email or letter. The wording on the motion shall be as follows: Due to the increase in insurance rates and deductibles the Board hereby approves a special assessment in the amount of ~~\$200~~ ^{\$100} per unit per quarter during the year 2004. An affirmative vote by 2 of the 3 board members shall be sufficient to pass the motion. Signatures by the board on a copy of this email will suffice for the minutes of the meeting and a record of the vote. Please return a copy to me for the official minutes.
